Press Release City of Winder Fire Tax May 21, 2008

The City Council of the City of Winder has tentatively adopted a recommended millage rate that will require an increase in the fire tax from 2.15 mills to 3.0 mills.

All concerned citizens are invited to the public hearing(s) on this fire tax to be held on three dates at the Winder Community Center, 113 East Athens Street, Winder, Georgia, at 6:00 PM:

- **Wednesday, May 7, 2008**
- **Monday, May 19, 2008**
- **Tuesday, May 27, 2008**

This increase in funding is needed for the fire department to maintain the Class 3 ISO rating which was achieved by the City last fall. The department will need to replace a 1978 ladder truck.

Based on a home with a fair market value of \$100,000 this will be an increase of approximately \$34.00 over last year.
