

Welcome to the City of Winder's **Veterans Commemorative Park** **113 East Athens Street, Winder, Georgia 30680**

How to get started finding your Veteran's Brick

Step 1: Find the document entitled "Veterans Commemorative Park Bricks"; then find your Veterans name; they are listed by their last name in alphabetical order.

Step 2: To the far right of the name you will see three columns entitled "Section", "Row" and "Number". Write down the three numbers and letters shown in these columns as they correspond with your Veteran's brick location.

Step 3: Find the document entitled "Veterans Commemorative Park Map". As you can see on the map, the Park is divided into four sections and they are numbered 1, 2, 3 & 4. These numbers correspond to the "Section" number your Veteran's brick is located in, see Step 2. The "Row" your Veteran's brick is on is a letter of the alphabet. As you can see on the Park Map these letters run vertically along the north and south axis of the Park. Find the letter of the row on the map. Finally, the third number is the number of bricks your Veteran's brick is from the north and south axis. This could be either to the right or left depending on which section the brick is located in.
