

# CITY OF WINDER

## VETERANS COMMEMORATIVE PARK

The City of Winder wants to honor the men and women of this area – past and present – who have served this nation in its armed forces. Veterans and their families have made sacrifices, which should long be remembered. A park with engraved bricks honoring Veterans has been constructed adjacent to the Winder Community Center located at 113 East Athens Street in Winder. The Mayor, members of the Winder City Council and its Veterans Commemorative Park Committee initiated this project to provide Winder with a permanent location to recognize and pay tribute to the Veterans who have served and continue to serve our great nation.
