

City of Winder

The City of Winder’s Facebook page is a platform devoted to celebration. Our goal is to highlight the beauty and character of our City, promote special events that make Winder unique, and reflect on the people and history that shape our community.

This channel honors our City’s diversity by celebrating its achievements and recognizing the individuals who make it great.

Please note: This page is not the primary channel for contacting the Mayor, City Council, City staff, or public safety departments. It is intended to foster community spirit—not to replace formal communication channels. For service issues or official concerns, please visit <https://www.cityofwinder.com/about-us/contact-us>.

The following types of content may be removed, hidden, or responded to at the City’s discretion if they disrupt constructive conversation or are inconsistent with the purpose of this page:

- Off-topic or deliberately inflammatory comments (“trolling”) that derail meaningful conversation
- Repetitive posting of the same content across multiple threads
- Content that misrepresents the City’s activities in a misleading way but does not meet the threshold for immediate removal

Enforcement

Violating comments may be removed without warning if they include spam, fraud, impersonation, phishing, hate speech, threats, or other severe violations. Bot, spam, or scam comments — including fraudulent links or automated solicitations — are deleted as soon as they are detected, without warning. Blocking is rare and used primarily to stop automated or repeat spam/fraud accounts from posting again. When feasible, users will be notified of moderation actions and may request a review by contacting communications@cityofwinder.com.
